No Co-requisite modules listed	
Entry requirements	Learners should have attained the knowledge, skills and competence gained from stage 2 of the BSc (Hons) in Data Science

H7WP: Work Placement

Module Content & Assessment			
Indicative Content			
C.V Preparation Workshop Students must follow the guidelines provided by the work placement advisor when completing an up-to-date C.V. The work placement advisor will approve a general CV by October (semester 1). The student's CV will need to be tailored later on by the student for each individual job application			
Interview Preparation Workshop The work placement advisor runs an interview preparation workshop for the students in preparation for the work placement early in Semester 1. It is compulsory for every student to attend the workshop.			
Advertise Placement Opportunities Employers advertise placement opportunities with the work placement advisor during Semester 1 The work placement advisor posts placement opportunities on the NCI student portal Students are expected to check the NCI student portal on a regular basis and to apply to the opportunities advertised by emailing a tailored CV to the work placement advisor. The work placement advisor will forward CVs to the employer			
Job Interviews The employer will select the students they wish to interview The work placement advisor will contact the students that have been selected for interview and co-ordinate these interviews The student will contact the work placement advisor with interview feedback immediately after the interview he work placement advisor will liaise with the employer post interview, collate feedback and deliver offers to successful students Students are required to attend all interviews arranged for them by the work placement advisor. Failure to attend for interview may result in the student being eliminated from the placement process and subjected to disciplinary proceedings within NCI.			
Commencement of the Work Placement Work placement is six full months in duration, working fulltime and commences in January / February during Semester 2. Depending on the start date students should finish in July /August. Students must be available for this entire period.			
Monthly Learning Report The Monthly Learning Report needs to be kept throughout the placement to assist in writing the final work placement report. The Monthly Learning Report must be completed every month by the students, signed off by the Company Supervisor and submitted on a monthly basis. The monthly learning report must be uploaded to Moodle every month.			
Academic Site Visit and Performance Assessment Students will be assigned an academic supervisor at the beginning of the Workplace. The academic supervisor will visit the student in the workplace after 3 months of work placement.			
Work Placement final report Students are required to complete a "Final Work Placement Report" which will assist students in developing report writing skills and allows academic staff to assess the students' level of achievement of the work placement learning outcomes.			
Assessment Breakdown			%
Coursework			100.00%
Assessments			
Full Time			
Coursework			
Assessment Type:	Learner Journal	% of total:	30
Assessment Date:	n/a	Outcome addressed:	2,5,8
Non-Marked:	No
